Social Distancing Considerations at The Member Member

Based on the Phase 3 guidelines and other social distancing recommendations we have made some changes to the event this year. The goal was first and foremost to have a safe event while trying to preserve the fun and quality of the Member Member. So that you are aware and can make your own personal decisions as to whether or not to participate in the event or any part of it, below are **some** of changes we have made.

- All portions of the event that have traditionally been held indoors will be moved outside.
- We are separating tables, food stations and beer kegs to help spread people out.
- Flights will be assigned designated lunch areas and specific times to participate in the putting and chipping events
- All food will be either prepackaged or served for you. There will not be buffet or self-serve.
- If the COVID-19 situation changes for the worse between now and October 1, we may be forced to adjust accordingly.

You still need to do your part. Maintain your distance. Don't crowd around the keg or anywhere else. Wear your mask inside the clubhouse and anywhere else it makes sense.

Please do not participate in any MGA event if you:

- Are feeling sick in any way
- Have had a recent exposure to anyone who is COVID-19 positive without a subsequent negative test result
- Have had a COVID-19 test for cause and are awaiting the result

If you have any questions please let me know.
